## Good news! We're making it easier to get a replacement account number if your account is compromised.

Starting November 17, 2019, if your account is compromised, we can simply issue you a replacement account number without the hassle of closing your existing account and opening a new one. This will allow you to continue using your existing debit card.

We've updated our Deposit Account Agreement to explain this change:

*We can assign and transfer your account information and documentation to a replacement account number at our discretion. We may make this assignment when your account is reported compromised by you or any signer. If we issue you a replacement account number, this Deposit Account Agreement governing you and your account will continue to apply, without interruption, as if you retained the discontinued account number.*

Please call us at the number at the top of this statement if you have any questions.
